

Pioneer Athletics | Brite Striper® 3000 AIRLESS STRIPER

Power, Capability and Versatility in One Effortless Package

It's time for a machine that meets the breadth of your needs, the expectations of your comfort level and the speed you dream of for clean-up. It's time for the Brite Striper 3000 and its host of tailored features.

- Sturdy and lightweight, this is a machine frame with no trade-offs
- Your reach is phenomenal thanks to a 50' hose for logos and wide-area spraying
- Ride rough fields smoothly, thanks to large pneumatic tires and optional floating spray box
- Get all the pressure options you need in one machine, from 0-3000 psi
- Ride on Honda for a power-packed and dependable 5.5 HP warranty-backed engine

Related Products:

- White lines that are up to 400% brighter under the lights and 25% brighter in sunlight
- High flying colors that are bright and durable even when diluted
- No frustrating field striping delays

- Extend the length of the spraying arm for hard-to-reach places and cover more yardage on your field

- Make quick work of clean-up thanks to the Quick Flush System. Attach to a standard garden hose to clean easily and recapture unused paint
