

Antimicrobial program designed to protect the facilities and equipment your athletes, staff and trainers use each day.

GamePlan-4-Sports Professionally Applied Antimicrobial Program.

GamePlan-4-Sports

Combat infection-causing microbial contamination and odor on all surfaces, equipment and fabrics within your sports facilities with GamePlan-4-Sports.

GamePlan-4-Sports is powered by AEGIS Microbe Shield®, the most advanced, EPA registered antimicrobial available. The system is designed to provide a long-lasting layer of defense against a wide array of bacteria, mold and mildew.

The GamePlan-4-Sports treatment program is applied by mPact certified professionals. Its nanotechnology bonding chemistry will not rub off onto skin or leach into the air or ground - and it contains no heavy metals or harsh chemicals.
