Pioneer Athletics | Quik Stripe Chalk

Aerosol Marking Chalk

Temporary Marker for Natural or Synthetic Turf

- Use for dotting stencils, creating temporary field marking or other temporary marking
- Contains no lead or fluorocarbon
- Can be sprayed with a Quik Striper, Marking Pistol or by hand
- Dries in approximately 10-15 minutes (at 70°F)
- Removes with water

Accessories

Quik Striper

- Quality metal construction
- Large 10" semi-pneumatic wheels with wide axles provide smooth rolling on rough surfaces and years of service
- Adjust stripe width in seconds
- Large storage area for extra paint cans keeps you from running to the sidelines for refills
- Convenient handlebar paint control

Quik Stick

- Ergonomic grip allows for longer, more comfortable use
- Freehand marking is easier to handle and allows freedom to get closer to the stencils
