Step 1 Apply One of Pioneer's Removable Synthetic Turf Paints

GameLine™

Big game tonight and a whole new paint job coming tomorrow? No sweat. GameLine is the perfect call when you need quality gloss paint that lasts one or two games and removes easily with no ghosting or residue.

For best performance, apply with a Brite Striper® 3000 using a new 317 tip.

WaterClaw

Is drainage an issue with your facility? Not anymore. For the final push, put in the WaterClaw.

The WaterClaw allows you to see results with your own eyes through the 1/2" thick clear acrylic top plate.

Simply hook to your liquid extractor vacuum and go to town. You'll notice zero suction lockdown due to the vacuum release feature which comes standard.

Four easy steps and you're in business!

Step 4 Rinse and use WaterClaw to Clean Up Excess Wash Water

Step 2 Simply apply Blitz™ - GameLine Remover Solution

Blitz - GameLine Remover Solution

Wednesday's soccer game has passed and you and your crew have a field to turn for Friday night's football game. Relax, you've got Blitz - GameLine Remover Solution on your side. Easily and quickly remove temporary synthetic turf paint, logos or stencils with a solution that won't hurt your turf.

Simply apply Blitz GameLine Remover Solution with a Backpack Sprayer onto the painted area and move to step 3 - Agitation with the Blitz Remover Machine.
