

**New in
2010!**

BRITE STRIPER 3000^{SP}

Self-propelled power and versatility in an affordable airless sprayer.

- Sturdy and lightweight
- Phenomenal reach thanks to a 50' hose for logos and wide-area spraying
- Ride smoothly even on rough fields thanks to large pneumatic tires and optional floating spray box
- Steady adjustable pressure from 0-3000 psi
- Warranty-backed 5.5 HP Honda engine
- BS3000 SP features a breakthrough belt-and-chain drive system and adjustable speed to deliver great, straight lines
- Optional 15-gallon paint hopper
- Easy to use and easy to clean

FieldCrewzer

The Field Crewzer helps your artificial turf look its best.

- Pioneer's Field Crewzer removes litter and debris while returning infill back into the field.
- A robust counter-rotating brush lifts surface debris into the primary hopper, placing it on to a vibrating sieve.
- Infill granules are cleverly returned to the surface while the debris is shaken into a collector at the rear of the machine.
- Can be pulled by any golf cart or utility vehicle.
- The Field Crewzer lifts up via the linkage for transportation.

ULTRA FRIENDLY STARLINE[®]

The new StarLine Ultra-Friendly field lining system.

- The already eco-friendly, StarLiner is now even more green with StarLine Ultra-Friendly paint.
- Another EPA recognized, VOC-free field marking paint from Pioneer Athletics.
- StarLine Ultra-Friendly field lining system - the easy, affordable, green way to produce crisp, bright lines.

Recognized for safer chemistry.
