

Fence Slats

- Improve the privacy and look of your chain link fence with attractive, economical and durable fence slats
- Slats easily slide down vertically through the chain link and lock into the Viper Channel™ Locking System
- Each box contains 82 slats and covers up to 10 linear feet.
- Also, included in each box are three 42" Viper Channel™ pieces (allowing for 10' of coverage with 6" for spare).
- High-density polyethylene (HDPE), color pigments, and ultra violet (UV) inhibitors specifically designed to slow the harmful effects of the sun and lengthen the life of the product.
- Simple no-tool installation
- Maintenance is easy; simply wash with water or high-pressure water.
- Resistant to: severe weather conditions, sand, saltwater, alcohol, most acids, alkaline, ammonia, petroleum distillates, and common environmental pollutants.
- Pro-Rated Limited 30 Year warranty
- Colors: Sky Blue, Brown, Black, Beige, Redwood, Green, White, Gray, Royal Blue

Ridged Slats

- Height Options: 3', 4', 5', 6', 7', 8'
- Ridged Slats measure approximately 1-¼ inches wide with the length being approximately 3 ½" shorter than the overall height of the fence, (e.g. 6' slats are 68.5").
- Ridged Slats add approximately 85 percent privacy to regular 2" diamond, 11-gauge chain link fabric.
- Also works with 9 or 11 ½ gauge chain link fabric.

Tube Slats

- Height Options: 3', 4', 5', 6', 7', 8', 10' and 12'
- Tube Slats measure approximately 1-3/32" inches wide with the length being approximately 3 ½" shorter than the overall height of the fence (e.g. 6' slats are 68.5").
- Tube Slats add approximately 75 percent privacy to regular 2" diamond, 11-gauge chain link fabric.
- Also works with 9-gauge chain link fabric.

**Special order 7/8" wide tube slats are available for customers with chain link diamond that is too small for standard tube slats. Contact your Pioneer Sales representative for more information.*
