

# StarLiner™ Electric Field Liner

## New Model in 2024!

- Easy-to-use natural grass field liner with a long-lasting, rechargeable battery
- New movable & adjustable spray arm/spray box for front or side paint applications
- New external charger port makes recharging your battery even easier!
- Features the convenience of an aerosol striper with the premium look of Pioneer's Ultra-Friendly bulk paints
- In addition to grass field striping, it's a fantastic tool for baseball infield foul lines
- Featuring "Plug & Stripe" technology - simply plug the custom, self-sealing container into the StarLiner™ and stripe with ease
- An optional 10' spray wand attachment is available for logo work
- Handles fold to make transporting the machine easier
- Each unit comes with four spray tips and PHD Ultra-Friendly Cleaner
