ingredients matter.

LitterKat[®]

- Ground driven sweeper designed to remove debris from the turf surface without displacing infill material
- 12-volt actuator for easy brush depth adjustments
- Dual 12-volt vibrators in the collection baskets allow any infill material that is collected to be quickly returned to the field
- All aluminum construction with a durable powder coat finish allows the LitterKat to be towed by most utility vehicles
- Equipped with a powerful 6' tow-behind magnet that pulls unwanted ferrous material from deep within the infill
