

Dirt, Conditioners & Clay

Other Turface material available.
Contact us for more information.

Turface Pro League

- Stands up to intense athletic traffic for unsurpassed performance
- Smaller uniform particle size makes it ideal to improve a sliding surface on a skinned infield
- Conditions soil and manages moisture to help to prevent rain-outs
- Ideal for infield maintenance as well as new construction
- Can be applied as a topdressing to improve the surface and reduce bad ball hops that can cause injury
- Comes in 50 lb. bags
- 40 bags per pallet
(BFPL5027P)

Turface MVP

- Provides solid and safe footing throughout the season
- Large particle size conditions soil to relieve compaction
- Absorbs excess moisture and improves drainage
- Ideal for infield maintenance as well as new construction
- Can be applied as a topdressing to improve the surface and reduce bad ball hops that can cause injury
- Comes in 50 lb. bags
- 40 bags per pallet
(MVP50)

Turface Quick Dry

- A perfect choice for eliminating puddles and standing water
- A topdressing that can be used during or after it rains
- Effectively works without caking, becoming slippery or hardening upon drying
- Easy application; just apply to wet areas or puddles, let product absorb, rake and return to play
- Comes in 50 lb. bags
- 40 bags per pallet
(QD50)

Turface 5-Star Packing Clay

- Reliable mound and plate clay that comes pre-moistened and ready to use
- Highly durable for long lasting performance and wear resistance
- Clay-silt mixture bonds firmly and quickly to help reduce installation time
- Red coloring
- Comes in 50 lb. bags
- 40 bags per pallet
(MC50)

Field & Fairway Emerald

- Improves water and nutrient-holding capabilities
- Increases oxygen levels at the root zone
- Facilitates drainage when soils are saturated
- Emerald coloring
- Comes in 50 lb. bags
- 40 bags per pallet
(FFE50)
