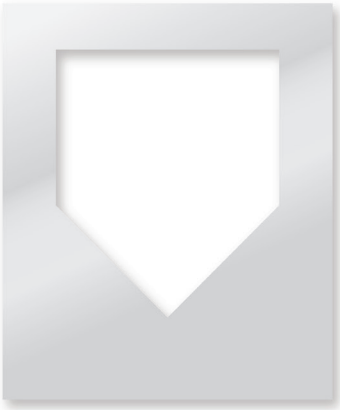
- Single piece includes stencil for corner arc and centerline circle
- 36” soccer corner arcs with a 4” line
- 9” diameter centerline circle

HPS



PRS

Aluminum Baseball Stencils

- Made from durable .08” aluminum
- Used to freshen up your pitching rubber or home plate with aerosol field paint
- Simply line the stencil up with the rubber or home plate and apply paint
- No need to worry about overspray on your infield dirt or grass
- Can be stored horizontally or vertically
- Easy cleanup after use with a hose or pressure washer

ABSH

Aluminum Splash Board

- Purpose-built for borders and logo work – contains overspray so markings stay sharp
- Lightweight, straight-set aluminum construction holds its edge for razor-sharp lines, use after use
- Dual hand holes for balanced, controlled repositioning
- Built to handle frequent cleaning and heavy daily use
- Dimensions: 3’ x 6’
