### Integrated GreensGroomer<sup>®</sup>

- The Integrated GreensGroomer is a synthetic sports turf groomer that works with all infill material.
- Patented brush design with super-duty brushes lifts turf fibers, leaving them in a plush, upright position
- Brush pattern increases efficiency and performance when brushing infill to low areas left after play
- Synthetic brushes resist wear and will not rot
- Spring Tine Rake combs through infill, relieving compaction and assuring a soft, level playing surface
- Fully integrated spring tires are quickly and easily adjusted with a simple rotating lever
- Optional 6' tow-behind magnet available for collecting ferrous material hidden in the field and infill
