Field Crewzer[™]

Pioneer's Field Crewzer is the premier sweeper that removes litter and debris while returning infill back into the field.

- A robust, counter-rotating brush lifts surface debris into a primary hopper
- Infill granules are returned to the surface while debris is shaken into one of two easily-removable hoppers at the rear of the machine
- Can be pulled by most golf carts and utility vehicles
- The Field Crewzer is lifted up by an electric actuator for transporting

SPECIFICATIONS

Dimensions L/W/H	99.2" / 59" / 47.3"
Working width	47.3"
Drive	Honda GX240 gasoline 5.4 kW / 7.2 HP
Transport width	59"
Attachment (semi-mounted)	drawbar trailed
Container capacity	100 L.
Back bogey tires	11" x 7"
Front contact wheels	11" x 7"
Air pressure	2 bar
Weight	970 lbs.
