

Pioneer Athletics | mPact-4-Sports DO-IT-YOURSELF PROTECTIVE SOLUTIONS

Combat bacterial contamination, Staph and MRSA with protective solutions, formulated for wrestling mats, equipment, uniforms, towels and more.

mPact-4-Sports Multi-Purpose

mPact-4-Sports Multi-Purpose contains an EPA registered antimicrobial and is specially formulated for sporting facilities. It is used to impart a durable, invisible shield which is protected from all odors and stains caused by bacteria, mold and mildew.

For use on wrestling mats, head gear, pads, workout equipment, training tables and all other non-porous surfaces.

mPact-4-Sports Towel and Fabric Conditioner

mPact-4-Sports Towel and Fabric Conditioner provides an invisible barrier on towels and fabrics which has long-lasting

protection from odors associated with bacteria and mildew.

After washing fabrics, simply spray or soak items with mPact-4-Sports Towel and Fabric Conditioner and air dry or machine dry. Protection lasts up to 30 washes.

mPact-4-Sports Stain Release Fabric Treatment

mPact-4-Sports Stain Release Fabric Treatment is a conditioning stain blocker that creates an invisible barrier which is protected from growth of bacterial odors and prevents stains associated with grass, dirt and perspiration.

mPact-4-Sports Stain Release Fabric Treatment is perfect for uniforms - but not for use on towels, as it will affect their absorbency.

mPact-4-Sports should be applied every 30 days.
