## ATHLETICS

ingredients matter.®

### All Star Groomer

- Manual-lift groomer levels, mixes, smooths, and breaks up hard infields
- Provides athletes with safer, more consistent playing conditions
- Reduces sliding injuries, water puddling problems, weeds, and more
- Heavy-duty welded steel, powder coated finish, with weight trays
- Posi-Lift arm and lock system holds the implements in raised or grooming positions
- Adjustable tongue and hitch combo
- Leveling Implement cuts off high areas, mixes as it travels, and releases material into low areas
- 1-Blade grading device allows for slightly higher grooming speed (up to 8 mph)
- Quick attach connectors for easy attaching of add-on implements
- Standard accessories: grading/leveling bar, rear 2-brush finishing broom
