Cordless Electrostatic Handheld Sprayer

- Professional Cordless Electrostatic Handheld Sprayer allows users hours of spraying time without the hassle of a cord.
- Designed to save time and labor, spray less liquid, and cover more surfaces.
- Patented technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage
- Double-charged particles envelope all conductive surfaces – shadowed, vertical and underneath
- Weighs only 5.9 lbs. with a full tank
- Cordless convenience allows for effortless movement room to room
- 3-in-1 nozzle allows you to set particle size to match your application
- Easy Fill HDPE 33.8 oz. refillable tank allows you to coat up to 2,800 sq. ft. on 40 micron setting
- Victory 16.8V Lithium-Ion battery allows you to run between 20-80 tanks on a single charge

ESH
