## ATHLETICS

ingredients matter.

### Dirt Medic™ Infield Drag & Groomer

- Lightweight groomer with the durability of larger units
- Specifically designed for use with garden tractors, light utility vehicles and ATVs
- Great for filling and leveling Little League to High School infields
- Weighs only 200 lbs. and has a 4 ft. wide grooming path
- Features 10" pneumatic tires for easy transport
- No need for tools - a single hand crank adjusts both the angle and depth of the harrow teeth
- Welded steel construction and quality components will give you years of maintenance-free service
- Backed by 18-month warranty
