## ATHLETICS

ingredients matter.

### GameDay<sup>®</sup> Quick Cure

- A variation of our premium Game Day paint that is specially designed to cure faster and will not re-wet
- Alternative for locations with heavy moisture pressure where re-wetting is a challenge
- Ready to use, no need to dilute
- A specialty product designed for in-season applications when the weather is forecasted to have heavy moisture pressure
- Available in standard and custom GameDay<sup>®</sup> colors

### Advantages vs. Normal Athletic Field Marking Paints

- Dries quick to the touch and cures more rapidly
- Once cured, will not re-wet
- Adheres better to the tips of blades-better for grass health and allows it to withstand traffic better
- Better overspray characteristics
- Advanced colorant system also benefits those who need custom colors
