GameLine™ GPS

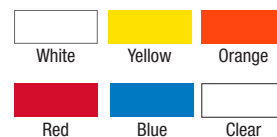

Removable synthetic turf coating

- Removable synthetic turf coating for infilled turf systems
- Gloss coating that is great for both short-term and long-term applications
- GameLine GPS has been specially designed to produce crisp, long-lasting, and bright lines.
- Ready-to-use, no need to dilute.
- Five gallons per unit! GameLine GPS paint is sold in boxes with two, 2-1/2 gallon, re-sealable and recyclable containers
- Available in brilliant white, clear, and vivid hues of red, blue, yellow, orange
- Clear is used as a base coat before painting over inlaid lines and logos to prevent staining and make removal much easier
- Removes easily with any of our Blitz™ GameLine Remover Solutions
- Paint to be used only with tip (part# 9501) and nozzle cap (part# 25608-1-nyr)
