1 NATURAL TURF FIELD MARKING PAINT

Game Day®

Our top-of-the-line field marking paint at an attainable price

- Mixed with a higher concentration of super premium pigment and optical brighteners than other natural grass marking paints
- Eye-pleasing optic whites and fan-stunning standard colors
- Consistent color intensity regardless of whether it's applied straight or diluted
- Adheres better to the tips of grass blades than competitors' products (better for grass health)
- Scientifically formulated to produce minimized overspray characteristics
- Also available as Game Day Pre-Mix and Airless
- White dilutable up to 3:1; Colors dilutable up to 1:1
- Custom color matches available

The Industry's Most Vibrant Colors

White	Soccer Yellow	Yellow	Yellow Gold	Orange	Pink
Red	Maroon	Garnet	Light Blue	Blue	Navy Blue
Midnight Blue	Purple	Dark Green	Green	Gray	Black

Game Day® TKO

- Highly concentrated and dilutable super premium athletic field marking paint
- Extremely bright white provides long-lasting, brilliant lines and logos
- Available in white only
- Dilutable up to 5:1

"Game Day TKO is one of the best grass paints that helps me complete every job. The large range of dilution rates helps me find the quality I am looking for as my needs change between recreational, collegiate, and professional levels of play."

Miles Studhalter | Toyota Soccer Center | Frisco, TX

Game Day® Quick Cure

- A variation of our premium Game Day paint that is specially designed to cure faster and will not rewet
- Alternative for locations with cooler temps and moisture
- Ready to use, no need to dilute
- Available in standard & custom Game Day colors

A Brite Stripe® Airless

- Designed exclusively for airless striper applications
- Optimized viscosity for spraying through airless machines without diluting
- White contains a slight blue tint for whiter, brighter, lines
- Ready-to-use. Further dilution not ncessary

Available in standard and custom colors

B Brite Stripe® Pre-Mix

- Viscosity optimized for spraying
- Designed to adhere to grass blade better than paint simply diluted 50/50
- Saves time so you can get to work faster
- Ready-to-use. Further dilution not ncessary
- The same great features you expect from Brite Stripe, but already pre-diluted.

Available in standard and custom colors

C MAX™

- A dense and rich formula with great brighteners for closeup-ready results.
- Exclusive white blend containing 150% more prime hiding pigments
- Available in white only
- An affordable premium paint
- Dilutable up to 4:1

Brite Stripe®

Brite Stripe is the number one choice at the pro, collegiate, high school, and recreational levels throughout North America.

- The go-to premium paint for those who expect a long-lasting performance and bright field markings
- Vivid colors that are bright and durable, even when diluted
- No harm to grass or its growth
- Dilutable up to 3:1
- A dependable choice for both practice fields and game fields.
- Available in 25 standard colors, metallics, fluorescents, and custom colors

Brite Stripe® Chalk

- A very temporary marking paint for natural grass
- Perfect for short-term special events, camps, drills or instances when a quick field turn around is needed
- Removes with water, rain, or over time with normal wear

Available in all standard and custom Brite Stripe colors

Brite Stripe® Temporary

- A temporary marking paint for natural grass
- More durable than chalk but less than other field marking paints
- Perfect for special events or games

Available in all standard and custom Brite Stripe colors

Brite Stripe® Colors:

White	Soccer Yellow	Vegas Gold	Yellow	Yellow Gold	Old Gold	Orange	Pink
Red	Dark Burgundy	Dark Garnet	Burgundy	Maroon	Sky Blue	Light Blue	Blue
Navy Blue	Dark Blue	Royal Blue	Purple	Green	Dark Green	Silver	Gray
Black	Gloss Black	Brown					

Custom colors available.

3 NATURAL TURF FIELD MARKING PAINT

Brite Stripe® Ultra-Friendly

The same great performance as you've come to expect from Brite Stripe but VOC-free.

- Ultra-Friendly to the environment and durable
- Dilutable up to 3:1
- Also available in Airless & Pre-Mix
- Colors: White, Yellow, Orange, Red, Blue, and Black

Game Day® Ultra-Friendly

Game Day gives your field premium performance at an attainable price.

- Recognized by the U.S. EPA for it's VOC-free and safer chemistry
- Mixed with a higher concentration of premium pigment and optical brighteners than other natural grass marking paints
- Dilutable up to 3:1
- Also available in Airless and Pre-Mix
- Only available in white

StarLine™

VOC-free field marking paint designed for the StarLiner™ electric field striping machine.

- The StarLine Ultra-Friendly field lining system is the easy, affordable, green way to produce crisp, bright lines
- StarLine paint comes in a 2-1/2 gallon, resealable and recyclable container
- Colors: White, Yellow, Pink, Orange, Red, Blue, and Black

"We have been using Brite Stripe Ultra-Friendly since it first came out. We are very pleased with the brightness and durability of the painted lines. Plus, no VOCs has been great for our turf!"

Peter Thibeault, CSFM | Noble and Greenhough School | Dedham, MA

"Ultra-Friendly is my paint of choice. Not only is Ultra-Friendly VOC-free, but it creates ultra bright lines that last longer than any other paint I have tried."

Mike DiDonato | Windham Raymond School District | Windham, ME

Game Day® Aerosol

- Experience the newest and most vivid aerosol colors in the field marking paint industry!
- The same super premium quality that you expect from all Game Day paints
- Game Day aerosol colors match our Game Day bulk standard colors
- Our jumbo size can contains 22% more paint per can than regular size aerosols
- Game Day aerosol is formulated with premium pigments for exceptional coverage and hiding
- Sold by the case (12 cans)

White | Soccer Yellow | Yellow | Yellow Gold | Fluorescent Orange | Old Gold
Vegas Gold | Light Blue | Blue | Royal Blue | Navy Blue | Midnight Blue
Royal Purple | Green | Pink | Red | Dark Garnet | Burgundy
Maroon | Gray | Black | Metallic Silver | Metallic Gold

MAX™ Chalk

Temporary marker for natural grass and synthetic turf. Tested for use on synthetic turf.

- Jumbo size can that's perfect for creating temporary field markings for camps and drills or other temporary marking, even on concrete
- Can be sprayed with a Pioneer Aerosol Striping Machine, Marking Stick, Pistol, or by hand.

White | Yellow | Orange | Red | Blue

Quik Stripe®

Count on Quik Stripe, the industry-leading aerosol marking paint in a standard size can.

- So ready-to-use, and quick drying, it's built right into the name
- The best in brightener technology with no clogs, waste or mess
- Crisp, clear lines even in severe weather

Available in 21 high-performance colors.

White | Soccer Yellow | Yellow | Yellow Gold | Fluorescent Orange
Old Gold | Vegas Gold | Light Blue | Blue | Royal Blue
Navy Blue | Midnight Blue | Royal Purple | Green | Pink
Red | Dark Garnet | Burgundy | Maroon | Gray
Black

PVIP™

The versatile aerosol paint in a jumbo size can outfitted with value, performance, brightness and paint crew satisfaction.

- Save time and money, plus get 22% more paint than our standard size can
- Durable and dependable on game days
- All without clogs, waste and mess

PVIP available in Arctic White only.

FIELD MARKING MACHINES

Brite Striper 3500 SP
Brite Striper 3500

- Affordable, rear-gun mount airless stripers
- Smooth ride -- even on rough fields -- thanks to the sturdy, lightweight frame with large pneumatic tires!
- Easy-reach handlebar with mounted controls
- Steady, adjustable electronic pressure control (0-3300 psi)
- Front swivel wheel is great for painting arcs and circles
- Warranty-backed, premium-grade Briggs & Stratton Vanguard engine
- Dependable pro-duty airless pump
- Adjustable left or right spray configuration for your convenience
- Quick system flush makes cleanup faster and easier
- Logo & wide area spraying made easy thanks to a 50' hose.
- Two models available to fit your needs -- Brite Striper 3500 SP for self-propelled striping or the Brite Striper 3500 push-style airless striper

Quik Stripe Aerosol Striper

- Works with paints in our standard size aerosol can
- Large, 10" semi-pneumatic wheels and wide axles provide a smooth roll

QSM

Game Day Aerosol Striper

- Works with paints in our jumbo size aerosol can
- Large, 10" semi-pneumatic wheels and wide axles provide a smooth roll

MVPM1

Premium Aerosol Striper

- 8" pneumatic wheels roll smoothly over rough fields and provide crisp striping
- Works with paints in our jumbo size aerosol can

PVIPPM

StarLiner™

- Easy-to-use field liner with a long-lasting, rechargeable battery
- "Plug & Stripe" technology - simply plug the custom, self-sealing container into StarLiner and stripe with ease
- Convenience of an aerosol striper with the premium look of Pioneer's Ultra-Friendly paints
- Optional 6' spray wand attachment
- Handle folds for transportation
- Telescoping spray arm
- Comes with four spray tips
- Quick-disconnect paint line

STAR

See StarLine paint on page 3

PLeeFix™ Ground Markers

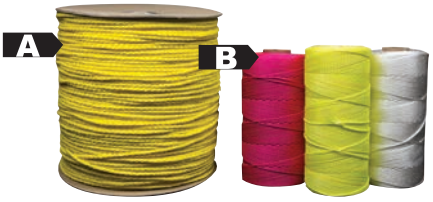
- Athlete friendly & UV-resistant synthetic turf tufts
- Fibers available in yellow, blue, red,orange, white, and green
- Recycled polypropylene spiral cone base
- Use to mark sprinkler heads and other potential field hazards
- Eliminates the need to re-measure natural grass fields prior to painting
- Highly visible and mower resistant

Orange - PFO25; White - PFW25;
Blue - PFB25; Yellow - PFY25;
Red - PFR25; Green - PFG25;
Mixed Box - PFM25

Marksmart™ System

- Eliminates the need for repeated field measuring and staking
- Sockets permanently locate and identify line intersections
- Simply insert pegs into sockets and attach string
- Follow string lines to paint field
- Available systems: basic, football, intramural and soccer
- Individual components also available

FOOTBALL - MSFOOT; SOCCER - MSSOCCER;
BASIC - MSBASIC; INTRAMURAL - MSINT



A Heavy Duty Lining String

- 1/8” hollow braid monofilament polyethylene string
- Rugged and durable
- Available in 500 ft. and 1,200 ft. lenghts

LM500C, LM1200C

B Basic Lining String

- 1,100 ft. of #30 premium twisted nylon twine
- Lightweight, but strong
- Available in white, yellow and pink

White-TWINE
Yellow-TWINEY
Pink-TWINEP

EZ Stringer (Power String Winder)

- Durable solid aluminum spool and steel rod backbone
- Ergonomic design maximizes productivity by minimizing operator fatigue and discomfort
- Handle on spool for fast field layout
- Includes: 1 Easy-Stringer, 1 Pair of Gloves, 1 Drill Attachment, & 1000 or 3000 feet of string pre-spooled

EZWINDER, EZWINDER3

Line Mate

- Field layout system includes windup reel, cable, hammer, and 2 stakes
- 1/6” vinyl-coated cable
- Sport specific systems available for Football, Football with ring at 160', Soccer, Women’s Lacrosse, Men’s Lacrosse, Field Hockey
- Permanent distance markings on cable

Basic Cord & Reel

- Easy-to-use guide for the layout process
- Utilizing the kit will cut your layout time significantly
- Kit comes with stakes and hammer
- Available with 500’ or 1200’ of cord
- Cord and reel lining stakes also available separately

Cord & Reel-LM500, LM1200
Stakes only-STAKELM

Eazy Crease

- Cut your field painting time down with Eazy Crease
- Men’s lacrosse, women’s lacrosse, field hockey, football, and soccer versions available
- Pre-measured lines with easy-to-read tags help you measure and mark goal circles, center circle, 8 meter mark, 12 meter mark, yard lines and more
- Field square included to ensure 90 degree corners
- Made of coated steel wire

400’ Measuring Tape

- Heavy-duty polyethylene case
- Easy-turn rewind system
- PVC coated fiberglass, double-sided tape shows feet and meters
- Other sizes available

MT400

330’ Measuring Tape

- 330’ durable nylon-coated steel
- Sturdy construction & fiberglass case

MT330S

7 STENCILS

Custom Stencils

We offer the latest in stencil technology to go above and beyond your world-class expectations

- Easily turn your custom art or lettering into an on-field graphic
- Cutout and tracing pattern options available
- One-piece and multi-piece versions offered
- Variety of materials available, including: 6 mil Polyethylene, 10 mil Mylar, 60 mil Dura Tuff, 100 mil Maxi Tuff, and 12 gauge aluminum

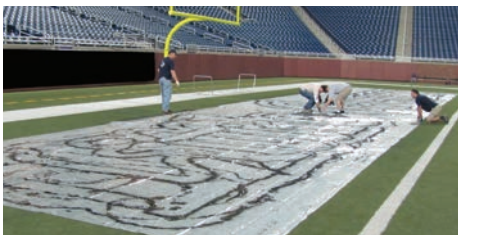
Aluminum Corner Arc Stencil

- Sturdy 12 gauge aluminum stencil
- Single piece includes stencil for corner arc and centerline circle
- 36” soccer corner arcs with a 4” line
- 9” diameter centerline circle

CAPKS

Tracing Pattern Stencils

- Half-moon cutouts allow you to dot out your logo
- Remove the stencil and connect the straight edges to form your outline
- Fill in the space in-between the outlines (if desired) and suddenly you have a great looking, custom graphic on your field
- Made of durable, reusable, semi-clear polyethylene plastic
- Learn more about how to use a tracing pattern stencil at ***PioneerAthletics.com/TPS***



Tracing pattern stencils can be ordered with a painted guide option to help distinguish between color breaks in the design.

Infield Logo Stencil

- Ideal for home plate area, behind pitcher’s mound, and on the infield skin area
- Can be used with conditioner or aerosol paint

Instructions for infield logo:

1. Lightly wet area prior to application
2. Layout stencil in the location desired
3. Apply conditioner, chalk, or aerosol paint
4. Remove stencil carefully

See an infield logo stencil being used: ***PioneerAthletics.com/iStencil***

Ribbon Stencil

- Three piece ribbon stencil to promote awareness for your cause
- 6’x10’ stencil made from 1/16” thick polyethylene
- Just add the coordinating paint color for your cause and your field is ready!

Letter & Number Stencil Kit

- Three fonts available

Letter Kit: 8 standard sizes up to 30' tall

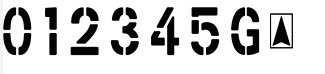
Number Kit: Includes 0-5, G, & arrow; 3' and 6' tall options

ROMAN

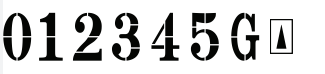
BLOCK

ATHLETIC

ROMAN



BLOCK



PRO STYLE

Hash Mark Stencil Kit

- Kit includes four 1-yard hash marks in 1-piece or 2-piece hinged stencils.

EZ Fold Hash Mark Guide

- Five yard long, folding, corrugated plastic stencil
- Features edge cut notches for easy and accurate placement
- Lightweight unit has a handle for carrying

EZHASH

Aluminum Hash Mark Stencil

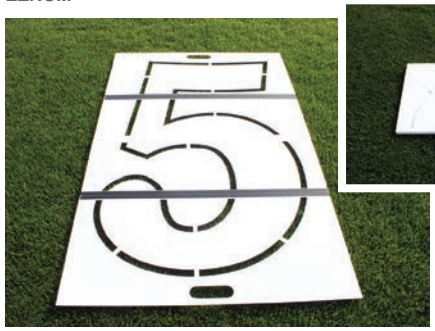
- Sturdy, 2-piece, slide-together construction with locking pins helps make accurate and crisp lines
- 15' total length with folding handles for easy storage
- Lightweight, all aluminum construction
- Wheel kit can be added to make it a one person operation
- Foam edges can be added to help prevent paint run-off

AHS

EZ Fold Number Stencil Kit

- Made of lightweight, durable and waterproof corrugated plastic
- Each stencil folds easily and has a handle for carrying
- Set includes 0-5 and direction arrow. Goal line "G" optional
- Full set weighs only 25 pounds and fits into a compact box, measuring 6"x22"x48"

EZNUM



Aluminum Number Stencil Kit

- Kit includes 0 (x2), 1, 2, 3, 4, 5 and arrow
- Large numbers are 48" wide x 72" tall
- 6" handles on each corner to assist with transport
- Roman style font, custom fonts also available
- Made of durable 1/8" aluminum
- Lightweight but heavy enough to lay flat
- Can be stored vertically or horizontally
- Easy cleanup after every use with a hose or pressure washer
- Forget the measuring tape... Offsets built in for quick alignment of numbers

ANS

PAINT ACCESSORIES

Paint Tote Containment & Mixing System

- Perfect for facilities with multiple fields
- Includes tote mixer and spill containment system
- Available in one and two tote systems
- Made of heavy-gauge steel for durability
- 400 gallon spill capacity
- Offers high-load capacity with removable grating deck and drain for easy cleaning
- Included pail holder attaches to unit
- Custom powder coating with team colors available, call for details
- Perfect for Pioneer's 225 gl. paint totes

TOTE1, TOTE2

Paint Mixing System

- Allows proper and thorough mixing of field marking paint at any dilution rate
- Large, 55-gallon capacity tank with 110 volt motor cuts your prep time so you can give more attention to your field
- Translucent container for better paint visibility
- Fiberglass tank and lid with easy flow gate valve allows for years of trouble-free use
- Heavy-duty, stainless steel stand allows for dispensing into 5-gallon pails
- 1/2 HP mixing motor features ground electrical cord with switch
- Die cast aluminum mixing blades and stainless steel shaft and coupling
- 5-year limited warranty on tank and 2-year warranty on motor

MIX55

Reusable Paint Strainer

- Strainer inserts lie on top of any 3 or 5 gallon open-head pail, allowing valuable material to be poured through easily while removing unwanted coarse particles.
- The patented lip design ensures that the strainer always stays in place
- A great tool for cleaning parts over a pail, while capturing cleaning solution below

PS5

Paint Strainers

- 100% nylon with elastic garter-top for 1 & 5 gallon pails allows for premium paint mixture
- 25 Per Box

1-GALLON - PS50, 5-GALLON - PS25

Battle Boards

Heavy-duty, yet highly flexible plastic boards used for masking while painting precise, straight lines or sharp, crisp curves on the field.

4' x 1' - BB4

Turf Gro™ Blankets

- Helps accelerate seed germination, allowing athletic fields to recover from high usage
- Helps protect turf, promoting stronger and healthier root growth
- Made of high strength, lightweight polypropylene fabric
- Helps to minimize damage from winterkill and wind
- Extends growing season allowing for earlier green-up of sports fields

Turf Soil Conditioner

- Designed to meet the challenges of wet, dry or compacted fields
- A unique, durable granule helps create passageways that improve drainage and loosen soil for deeper root zones and safer play
- Comes in 50 lb. bags

PREP50T

Ceramic Golf Granules

- Formulated for sand based sports fields, golf tees, and greens
- Retains moisture and releases it in the root zone
- Perfectly sized granules for sand based environments
- Comes in 50 lb. bags

PREP50CG

Tubular Soil Sampler

- Extracts core sample 15" deep x ¾" wide
- Excellent for deep analysis of texture, nutrients, root depth, moisture, and composition
- Specially designed cutting tip is ideal for turf grass rootzones
- 21" long device with a replace-able cutting tip

TSS1-S

Profile Sampler

- Device takes a 7" deep, 3" wide, ½" thick soil profile
- Soil can be easily replaced after inspection without damaging the turfgrass
- Used for root, insect, layer, thatch and mat analysis
- 26" overall length and weighs 4 lbs.
- Lifetime warranty

MPS1-S

Field Scout Moisture Sensor

- Handheld digital moisture sensor with case
- Two volumetric water content modes: standard soils & higher clay soils
- Measures soil moisture, salinity, and surface temp
- Features data logger and option for Bluetooth and GPS

Hexagon Plugger

- Designed for easy repair of damaged sod
- Cuts 7" wide x 2" deep hexagon shaped pieces of turfgrass
- Several cut plugs will stack within plugger
- Hexagonal shape helps squarely lineup and interlock plugs in the repair area

POGO Mini Moisture Sensor

- Gain insight into your turf and soil conditions with minimal effort
- Simply insert unit into ground and receive instant feedback on your phone or tablet
- Consistent accuracy without the need to calibrate
- Readings include: VWC (volumetric water content) moisture percentage, soil EC (salinity) and canopy temp

Turf Diagnostic Kit

- Complete turfgrass diagnostic tool kit in a hard-shell case
- Test for layers, compaction, moisture, stress, soil temp, & canopy temp
- Can be checked as luggage and fits easily in a utility vehicle
- Includes: profile sampler, moisture sensor, penetrometer, tubular sampler, digital pocket thermometer, infrared thermometer, turf stress detection glasses

Choosing Your Product

Bulk Paints

Pioneer Athletics offers several different bulk natural grass paints to fit your budget. Additionally, Pioneer's bulk grass paint brands each differ in their maximum dilution rates, allowing some paints to be diluted back further than others. For some customers, paints with greater dilution rates allow them to take a step up to a more premium paint. Another benefit of bulk paints is that in addition to a large pallet of standard colors, bulk paints can be ordered as any custom color. This gives you the ability to have logos with your school's or organization's exact colors.

Things to keep in mind with bulk grass paints…. First, you need to make an investment into striping equipment. With machines you need to factor in maintenance, time to load the paint and clean up time. Another consideration to keep in mind is that bulk paint often needs to be mixed or diluted prior to using it. These factors need to be kept in mind because they affect the time and staffing needed.

Aerosol Paints

Aerosol cans work well in situations with limited staffing and time. Additionally, the prep work that goes into aerosol is pretty simple – shaking the can prior to use. Aerosol paints have a smaller startup cost compared to bulk paints because the machines are less expensive. An advantage of aerosol is that it can be used when inclement weather is forecasted due to how quickly it dries. If you are a bulk paint user, having a few cases of aerosol on hand can help get you through those bad weather games. Although we offer many standard aerosol colors, custom colors are not an option.
