Pioneer® ATHLETICS

RainOut

- Field conditioner you can use before or after it rains
- Draws standing water and breaks up clumps of mud, providing a smooth game-ready field
- Absorbs over 250 times its weight in water
- Expands by less than 1%
- Improves drainage and absorption
- Quick and easy application
- Minimizes staff time needed
- One bucket of Rain Out will absorb up to 300 gallons of water
- Just 8-10 ounces absorbs as much as 150-200 lbs. of competitor's drying agent
- Non-toxic and non-hazardous
- Meets and exceeds EPA, OSHA, and ANSI guidelines
