

mPerial® Detergent/Disinfectant

- A concentrated cleaner and disinfectant specifically formulated for use on hard, common, non-porous surfaces.
- Odorless and colorless, and its nanotechnology bonding chemistry will not rub off on skin or wash out through repeated cleaning.
- Destroys microorganisms by attacking and physically piercing (disrupting) the cell membrane while also using a positively charged Nano-particle (Nitrogen), which “electrocutes” harmful microbes on contact.
- Proven effective against a broad spectrum of microorganisms, including mold, mildew, NOROVIRUS, E. Coli, salmonella, H1N1, MRSA .
- Used in hospitals, schools, nursing homes, athletic facilities, commercial buildings, food handling and processing areas, veterinary practices, and homes.
- One gallon makes 64 gallons of usable product.
- Standard mix ratio is 2 oz. per gallon of water.
