Note: Dimensions of the outdoor doubles court shall be 8 by 16 meters.

Note: USA Volleyball and NFHS rules require standards to be 3 feet (1 meter) outside the court. In the interest of safety for age-group and scholastic competition, the height of the net shall be that specified for male competition, the height of the net shall be that specified for male competition. This height requirement shall not be modified; USA Volleyball recommends the free-zone distance between side-by-side courts be a minimum of 13 feet (4 meters). NCAA rules require a minimum ceiling height of 25 feet for all newly constructed facilities. NFHS rules allow court dimensions to measure 30 feet by 60 feet.
